Once the home of Clear Creek Elementary School; Bomber Mountain Civic Center serves as our community event facility with banquet rooms, meeting rooms and a fully functional commercial kitchen. Owned and operated by JOCO First, the economic development branch of Johnson County; Bomber Mountain Civic Center is located in the heart of Buffalo—just two minutes from downtown. Our center earned its name from Bomber Mountain, the site of a 1943 military aviation accident, located west of Buffalo in the Big Horn Mountains.
